

Equity Practitioner Program

NOW RECRUITING FOR THE 5TH COHORT OF THE EQUITY PRACTITIONER PROGRAM

The Equity Practitioner Program (EPP) engages cross-functional teams of educators in an intensive, 6-month long collective learning experience that concludes with a capstone project targeting structural and systemic inequity across organizations. EPP strengthens internal capacity building to ensure the organization can continue the work on its own.

"I know that now more than ever as educators it's our responsibility to address racism and our personal biases, and examine our learned behavior."

"Being a part of the EPP group has allowed me to feel like even in my professional life I can make a difference and especially with our capstone."

"I feel that the whole program has enabled us to feel confident about moving forward, and enacting true change, so thank you very much for the opportunity to be a part of this. It has been one of the most valuable experiences in my life."
