EQUITY LEADERSHIP COLLABORATIVE (ELC)

Earlier this month, 4DL hosted our second Equity Leadership Collaborative (ELC) this year for educational leaders from across the state. ELC is designed for those who are thinking deeply about equity and who are exploring a strategic approach to structural change. We were excited to welcome representatives from the **Community Education Building, Delaware State University, Laffey-McHugh Foundation, and Odyssey Charter School** and school leaders from **ASPIRA Academy, Brandywine, Caesar Rodney, Cape Henlopen, Capital, Colonial** and **Woodbridge School Districts**. Here's what a few attendees told us about their experiences:

"Thanks for creating a brave space for conversation."

"Thank you for providing an opportunity to build a coalition. This is very much needed and I look forward to these sessions growing and the impact it will have."
